Dear parents,

It gives me immense pleasure to inform you that in the Managing Committee meeting held, in view of the pandemic and the difficulties faced by one and all, it was unanimously decided to **roll back** the fee increase for the second year also. This means that the total fees payable for the year for the academic year 2021-2022 will remain the same as in 2019-2020.

For those parents who have paid for the first quarter, excess amount paid will be adjusted in the fees payable for the 2<sup>nd</sup> and 3<sup>rd</sup> quarter. We shall calculate the amount and inform you at a later point of time. Those who have paid full year's fees will be refunded the excess amount. These details will be communicated to you as soon as possible.

Now please note the fees to be paid for the year 2021-2022 are given below

1 <sup>st</sup> Quarter	Rs. 16000
2 <sup>nd</sup> Quarter	Rs. 16000
3 <sup>rd</sup> Quarter	Rs.16000
4 <sup>th</sup> Quarter	Rs. 16000
Total	Rs. 64000

Dear parents, it has taken us a little time to arrive at this decision and to revert to you. Let me once again reiterate - you are in a school that cares.

Thanks dear parents for trusting us, supporting and encouraging us to work harder. I take this opportunity to say our Motto again –“Together we can make a difference”.
